

## 2020 TCCHS Summer Reading Challenge 9<sup>th</sup> - 12<sup>th</sup> Grade Students

**Your challenge: Read for 30+ minutes every day.**

**Your goal: 8 books**

### **What you must turn in:**

- The title and author of each book
- Where you found each book (for example: at home, Sora, the public library, a bookstore)
- A 6-8 sentence paragraph that is either a response to the book or summarizes the book.

**Remember, free Sora eBooks are  
on the TCCHS Clever page!**

An example:

Title and author: *Counting by 7's* by Holly Goldberg Sloan  
Where I found the book: the public library

Paragraph: The book *Counting by 7's* is about a girl named Willow Chance who has to find a new family after her adopted parents die in a car crash. Willow is not your average girl. She is different and strange, so fitting in is always hard for her. Even though things are tough for Willow, she learns that family is important and all families are not the same. I liked this book because it is funny and sad all at the same time. My favorite character was Willow's guidance counselor named Dell. The things they discover at his house really made me laugh!

**You can either type or write your responses. They are due to Mr. James (in the media center) no later than 3:00 PM on August 7<sup>th</sup>, 2020. For more information, email Mr. James at [bjames@tcjackets.net](mailto:bjames@tcjackets.net).**

**All students who meet the requirements will be entered into a drawing for a gift certificate to the Bookshelf in Downtown Thomasville.**
