GHS Region 1AAAA

To Supporters of Our Local Youth:

We request your sponsorship by ordering an advertising sign at tcchs.org/sponsor. The Thomas County Central High School tennis team believes our program offers a “win-win” opportunity.

Win #1 - Our tennis program provides a “no-cut” program for student-athletes to participate in a high school sport they can play for a lifetime. As reported by the New York Times in 2018, persons who frequently join in tennis, racket, and team sports live longer than sedentary people or participants in solitary activities.¹ Your support promotes our dual mission to develop athletes to the highest level of play and build a first-class high school tennis program while also increasing high school sports participation. We use 100% of donations to develop and support our athletes.

Win #2 – No sports program is complete without recognition of sponsors. TCCHS tennis looks to follow this tradition. Our program is now selling sponsorship banners for our courts for \$200 and \$300 to generate revenue to fund training equipment, gear, and expenses. Our boys and girls tennis teams want to include your business logo on a banner for six-months of the school year. Past sponsors may renew each year. Your business benefits by having its name displayed to many participants, fans, and visitors. Our courts include views from traffic, tennis, baseball, and softball events throughout the year. The sponsorship makes most of the Thomas County school community and many others aware of your support.

For more information, please contact head coach Brian Bellamy at 229-228-5400 x3, or email him at bellamy@tcjackets.net.

You can make your contribution, submit details about you or your business, and upload a digital image of any logo via a tcchs.org/sponsor or email to coach Bellamy. You may also return your donation, payable to Thomas County Central High School, to the person contacting you or mail your information and a check to the following address:

Thomas County Central High School
Attn: Brian Bellamy
4686 US Highway 84 Bypass
Thomasville, Ga 31799

Our athletes each have a personal fundraising goal of \$300, and any contribution is helpful.

Brian Bellamy
Head Coach, TCCHS Tennis
